

# Welcome to the 20th LANGFORD BEER GIN & CIDER FESTIVAL

## Welcome

Welcome to the 20th edition of our wonderful Beer, Gin and Cider Festival to new visitors and regulars alike. We have come on a little bit since our first event in 2000, but as always we strive to make each year the best yet!

We have a superb range of beers, spanning the taste and colour spectrum. Not only do we have brews from local Wiltshire, Hampshire, Dorset and Somerset brewers but also further afield such as Manchester, Suffolk and Yorkshire. Holly has again curated a cider line up capable of quenching any thirst, and head over and see Gary for a botanical taste infusion at the ever popular gin bar!

Last year seen the Steve Wyre Trophy awarded to Yeovil Ales for their BST Pale Ale. The trophy is awarded each year to the beer of the festival, in memory of our inspirational chairman Steve Wyre who was one of the founding members of this great annual Wiltshire event.

## Entry, Glasses & Tokens

Please collect a free 2019 edition glass on entry. This acts as your receipt for your entry and beer, gin and cider will only be served to you in a 2019 glass. For gin, you will be able to exchange your tankard for a more suitable tumbler at the gin bar. If your glass is accidentally broken, it can be replaced (stocks permitting) for £3.50.

Well behaved dogs are welcome on site but must be on a lead.

Tokens must be used for the purchase of all beer, cider, gin and wine.

Please Note: If you have paid the reduced entrance fee for the Saturday Afternoon Session only, you must leave the festival at the end of the afternoon session, or pay £5 to upgrade to the full evening session and receive a wrist band.

## Win a Case of Beer!

### Can you identify which beer is the Langford Licker?

The Licker is a beer which is identical to one of the others featured at the festival. All you have to do is identify which one it is and then fill out the form and hand it in at the bar. The first one drawn will win a case of beer. Only one entry per person per session.

Happy Tasting!

## Live Acts - Saturday

## What's it all for?

All profits from the Festival go towards a fund to build a new community centre - a facility to be enjoyed by all in the local community as well as various local sports teams.

This year we are also supporting Louie's S.M.I.L.E.S which is a fabulous charity set up in memory of Louie who went to our local primary school. Their aim is to raise funds and purchase toys & books, and deliver them to local children's wards on a regular basis so that every ward has sufficient amounts of toys aside ready for every child who is receiving treatments in hospital.
